Dear Committee Members;

I will be unable to attend the public hearing on Monday March 9, 2015, please accept this as written testimony regarding bills 1051 and 6904.

I respectfully urge you to oppose these bills because if passed it is my belief the very fabric of fair, impartial and transparent elections are at risk. To allow one party to select the registrar is ripe for political abuse and would remove an important check and balance system within the election process.

Thank you for considering my opinion.
